Dear Vicki and Jim,

Thanks for your nice letter that came a couple of days ago. You certainly have some exciting trips possibly coming up. I hope you get to go to the Phillipines, Jim, and Vicki it sounds wonderful for you to plan to go to Europe.

Last night we went over to Mary and Mikes for dinner and then played bridge until about ten o'clock. They won a dollar and seventy five cents. They are so happy when they win that it makes us glad that we lost.

I guess Mary wrote and told you about Gail and Gregg. They have separated and Gregg has moved out. They weren't even together for Thanksgiving. Gail went to Ruthie and Jacks with the rest of the family. I hope the problem, whatever it is will straighten out. They haven't been in their new house very long.

Wednesday I am going to baby sit for Jeannie so she can go shopping and then Art is going to come over after work and we will have dinner here. Today I am going to meet Mary when she gets home from work at noon and we are going shopping.

The mountains are just beautiful and the days and nights have been so clear that our view really stands out.

Gary came over Friday and Stella and I took him to lunch. He is going to go back to work at the store. He and Patty are getting along fine now.

I have a little ironing to do before I get ready to meet Mary so more later.

Love,

Mom.
